

Consent to Release Student Information

The Family Educational Rights and Privacy Act (FERPA) of 1974 prohibits Dixie State University from releasing certain personally identifiable information from a student's record to a third party (e.g. parent, spouse, etc.) without the student's explicit written consent. This form serves as written consent when properly completed.

Additionally, to protect the student's information from unauthorized individuals, Dixie State University requires the student to provide a unique *password* that will allow the designated third party to access information and services over the telephone or e-mail. The *password* should be something that is easily remembered, but something that is confidentially shared between the student and the third party. This *identifier* will remain valid unless authorization is revoked or if a new request is received.
